## **Announcement in relation to the Plan of Repurchasing A Shares Through Centralised Price Bidding and the Repurchase Report**

**This announcement is made by Zijin Mining Group Co., Ltd.\* (the “Company”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).**

### **Important notes:**

- **Type of shares to be repurchased (the “Repurchase” or “Repurchase of A Shares”):** The Renminbi-denominated ordinary shares (A Shares) issued by the Company (the “Repurchased A Shares”).
- **Purpose of the Repurchase:** The Repurchased A Shares will be used for the implementation of employee stock ownership scheme or share incentive of the Company. If the Company fails to use up the Repurchased A Shares within 36 months after the completion of implementation of the Repurchase, the unused Repurchased A Shares will be cancelled.
- **Total amount of funds for the Repurchase:** No less than RMB600 million (RMB600 million inclusive) and no more than RMB1 billion (RMB1 billion inclusive).
- **Repurchase period of the Repurchase (the “Repurchase Period”):** The Repurchase Period shall be no more than 12 months from the date on which the board of directors of the Company (the “Board”) considered and approved the repurchase plan of A Shares (the “Repurchase Plan”).
- **Repurchase price:** Not exceeding RMB17.00 per A Share (RMB17.00 per A Share inclusive). Such price shall not exceed 150% of the average trading price of the Company’s A Shares for the 30 trading days prior to the date on which the Board considered and approved the proposal in relation to the Repurchase.
- **Source of funds for the Repurchase:** Self-owned funds of the Company.
- **Whether the relevant shareholders have plans to decrease their shareholdings in the Company:** Upon enquiry by the Company, the directors, the supervisors, the senior management, the controlling shareholder, the actual controller and shareholders holding more than 5% of the shares of the Company respectively replied that they have no plans to decrease their shareholdings in the Company in the next 3

or 6 months. If the relevant parties propose to implement any plans to increase or decrease their shareholdings in the Company in the future, the Company will discharge its information disclosure obligations in a timely manner in strict accordance with the stipulations of the relevant laws, regulations and regulatory documents issued by the China Securities Regulatory Commission (the “CSRC”) and the Shanghai Stock Exchange.

● **Relevant risks warning:**

1. The price of the Company’s A Shares may continuously exceed the upper limit of repurchase price during the Repurchase Period, which leads to the risk of failure in the implementation or partial implementation of the Repurchase Plan;
2. If there are any significant changes in the Company’s production and operation, financial status and objective external conditions, or the Board decides to terminate the Repurchase Plan, there may be a risk of failure in the implementation of the Repurchase;
3. If the employee stock ownership scheme or share incentive of the Company fails to obtain the approval from the Board, the shareholders’ meeting of the Company or other decision-making authorities, the participants of the share incentive or employee stock ownership scheme surrender their rights of subscription, the Repurchased A Shares in the specific securities account for repurchase fail to be transferred to the employee stock ownership scheme or participants of share incentive before the expiry of the holding period, etc., there may be a risk that the Repurchased A Shares will fail to be granted in full, and there may be a further risk that the Repurchased A Shares which are not yet granted may be cancelled.

The Company will implement the Repurchase at the appropriate timing according to the market conditions within the Repurchase Period, and discharge its information disclosure obligations according to the progress of the Repurchase in a timely manner. Investors are advised to pay attention to investment risks.

**I. Consideration and implementation procedures of the Repurchase Plan**

On 7 April 2025, the Company convened the sixth extraordinary meeting in 2025 of the eighth term of the Board, at which the proposal in relation to the Repurchase Plan of the Company’s A Shares through centralised price bidding was considered and approved. Pursuant to the stipulations of the articles of association of the Company (the “Articles of Association”), the Repurchase Plan is only required to be approved by the Board at a Board meeting attended by more than two-thirds of the Directors. It is not required to be tabled to the shareholders’ meeting of the Company for consideration.

The time of consideration, procedures, etc. of the abovementioned Board meeting complied with the relevant regulations including the Guidelines No. 7 for Self-Regulatory Supervision on Listed Companies of the Shanghai Stock Exchange - Share Repurchase.

### (I) Purpose of the Repurchase of the Company

The Repurchase Plan is based on the Company's confidence in its future development prospects and high recognition of the Company's value, and with the aims to safeguard the lawful rights and interests of general investors, enhance investor confidence, further improve the Company's long-term incentive mechanism, fully mobilise the proactiveness of the Company's management team and core employees, and improve team cohesion and competitiveness. Upon a comprehensive consideration of the Company's operating status, business development prospects, financial status and future profitability, the Company proposed to use its self-owned funds to repurchase certain A Shares issued by the Company domestically for the implementation of employee stock ownership scheme or share incentive. If the Company fails to use up the Repurchased A Shares within 36 months after the completion of implementation of the Repurchase, the unused Repurchased A Shares will be cancelled.

**(II) Type of shares proposed to be repurchased:** The Renminbi-denominated ordinary shares (A Shares) issued by the Company.

**(III) Method of the proposed Repurchase:** Through centralised price bidding at the stock trading system of the Shanghai Stock Exchange.

**(IV) Repurchase Period:**

1. The Repurchase Period shall be no more than 12 months from the date on which the Board considered and approved the Repurchase Plan.
2. If the following conditions are met, the Repurchase Period will expire early:
  - (1) If the amount of funds used for the Repurchase reaches the upper limit during the Repurchase Period, the implementation of the Repurchase Plan will be completed, that is, the Repurchase Period will expire early from such date;
  - (2) If the amount of funds used for the Repurchase reaches the lower limit during the Repurchase Period, the Repurchase Plan may expire early from the date on which the Company's management decides to terminate the Repurchase Plan.
  - (3) If the Board resolves to terminate the Repurchase Plan, the Repurchase Period will expire early from the date on which the Board resolves to terminate the Repurchase Plan.
3. Based on the authorisation of the Board, the management of the Company will make Repurchase decisions and implement them at the appropriate timing according to the market conditions within the Repurchase Period. The Company is not allowed to repurchase the A Shares during the following periods:
  - (1) From the date of occurrence of major events that may have relatively material impact on the transaction price of the Company's securities and derivatives during the decision-making process, to the date such events are disclosed pursuant to the laws; or
  - (2) Other circumstances stipulated by the CSRC and the Shanghai Stock Exchange.

If there are any newly issued supervisory regulations which adjust the prohibition periods of the Repurchase, the Company will implement the Repurchase pursuant to the adjusted new regulations.

4. During the Repurchase Period, if the Company's A Shares are suspended from trading for more than 10 consecutive trading days due to the planning of major events, the implementation of the Repurchase Plan will be postponed, and disclosure will be made in a timely manner after the resumption of trading.

**(V) Use and number of the proposed Repurchased A Shares, proportion to the Company's total share capital and total amount of funds**

<b>Use of the Repurchased A Shares</b>	<b>Proposed total amount of funds for the Repurchase (RMB)</b>	<b>Estimated number of the Repurchased A Shares based on the upper limit of repurchase price (million shares)</b>	<b>Approximate proportion to the Company's total share capital (%)</b>	<b>Implementation period of the Repurchase</b>
To be used in the employee stock ownership scheme or share incentive of the Company	600 million to 1 billion	35.2941 - 58.8235	0.13 - 0.22	Within 12 months from the date on which the Repurchase Plan is considered and approved at the sixth extraordinary meeting in 2025 of the eighth term of the Board

Total amount of funds for the Repurchase: Not lower than RMB600 million (RMB600 million inclusive) and not more than RMB1 billion (RMB1 billion inclusive).

Number of the Repurchased A Shares: Based on the upper limit of the amount of funds for the Repurchase (i.e., RMB1 billion) and the upper limit of repurchase price of RMB17.00 per A Share, the number of the Repurchased A Shares will be approximately 58.8235 million, and the Repurchased A Shares account for approximately 0.22% of the total share capital of the Company. Based on the lower limit of the amount of funds for the Repurchase (i.e., RMB600 million) and the upper limit of repurchase price of RMB17.00 per A Share, the number of the Repurchased A Shares will be approximately 35.2941 million, and the Repurchased A Shares account for approximately 0.13% of the total share capital of the Company. The specific number of the Repurchased A Shares is subject to the actual number of the Repurchased A Shares at the expiry of the Repurchase Period.

During the Repurchase Period, if the Company implements any ex-entitlement and ex-dividend events including conversions of capital reserve into share capital, distributions of bonus shares or cash dividends, subdivisions of shares and consolidations of shares, the Company will correspondingly adjust the number of the Repurchased A Shares from the dates of the ex-entitlement or ex-dividend events pursuant to the relevant stipulations of the CSRC and the Shanghai Stock Exchange.

#### **(VI) Repurchase price**

The repurchase price shall not exceed RMB17.00 per A Share (RMB17.00 per A Share inclusive). Such price shall not exceed 150% of the average trading price of the Company's A Shares for the 30 trading days prior to the date on which the Board considered and approved the proposal in relation to the Repurchase Plan. The specific repurchase price shall be determined based on the share price in the secondary market and the financial and operating status of the Company comprehensively.

During the Repurchase Period, if the Company implements any ex-entitlement and ex-dividend events including conversions of capital reserve into share capital, distributions of bonus shares or cash dividends, subdivisions of shares and consolidations of shares, the Company will correspondingly adjust the upper limit of repurchase price from the dates of the ex-entitlement or ex-dividend events pursuant to the relevant stipulations of the CSRC and the Shanghai Stock Exchange.

#### **(VII) Total amount and source of funds for the Repurchase**

1. The total amount of funds for the Repurchase shall be no less than RMB600 million (RMB600 million inclusive) and no more than RMB1 billion (RMB1 billion inclusive), subject to the actual total amount of funds used at the end of the Repurchase.
2. The source of funds for the Repurchase shall be the self-owned funds of the Company.

#### **(VIII) Expected changes in the Company's shareholding structure after the Repurchase**

1. Based on the lower limit of RMB600 million (RMB600 million inclusive) and upper limit of RMB1 billion (RMB1 billion inclusive) of the amount of funds for the Repurchase and the upper limit of repurchase price of RMB17.00 per A Share, assumed that all the Repurchased A Shares are used for employee stock ownership scheme or share incentive and are all locked, the expected changes in the Company's shareholding structure are as follows:

Type of share	Before the Repurchase		After Repurchase at the upper limit of the amount of funds		After Repurchase at the lower limit of the amount of funds	
	Number of shares (million)	Proportion	Number of shares (million)	Proportion	Number of shares (million)	Proportion
Shares subject to trading moratorium (A Shares)	0.7956	0.003%	59.6191	0.22%	36.0897	0.14%
Shares not subject to trading moratorium (A Shares)	20,587.9383	77.46%	20,529.1148	77.24%	20,552.6442	77.33%
H Shares	5,988.8400	22.53%	5,988.8400	22.53%	5,988.8400	22.53%
<b>Total number of shares</b>	<b>26,577.5739</b>	<b>100.00%</b>	<b>26,577.5739</b>	<b>100.00%</b>	<b>26,577.5739</b>	<b>100.00%</b>

Note: The impact of other factors has not been taken into account in the abovementioned changes. The specific number of the Repurchased A Shares is subject to the actual number of A Shares repurchased at the expiry of the Repurchase Period.

**(IX) Management’s analysis on the impact of the Repurchase on the Company’s daily operation, financial status, research and development, profitability, debt repayment capacity, future development and maintenance of listing status**

As at 31 December 2024, the total assets, net assets attributable to owners of the listed company, outstanding balance of cash and cash equivalents and retained earnings of the Company amounted to RMB396.6107300 billion, RMB139.7855250 billion, RMB31.6908843 billion and RMB93.0781106 billion, respectively. Based on the upper limit of the amount of funds for the Repurchase of RMB1 billion, the amount of funds for the Repurchase accounts for approximately 0.25% of the total assets, approximately 0.72% of the net assets attributable to owners of the listed company and 3.16% of the cash and cash equivalents of the Company, respectively. The Company has the capacity to pay the amount of funds for the Repurchase.

Based on the operation, financial status and future development of the Company, the Company’s management is of the view that the Repurchase will not result in any material impact on the operation, financial status and future development of the Company. The Repurchase Plan, upon the completion of implementation, will not result in the Company’s failure to meet the listing requirements on shareholding distribution and its listing status. Upon the completion of the Repurchase, the controlling shareholder of the Company will remain the largest shareholder of the Company, and there will be no changes in the controlling power of the Company.

**(X) Explanation on whether the directors, the supervisors, the senior management, the controlling shareholder and the actual controller of the Company had bought or sold the Company's Shares within 6 months before the Board approved the proposal in relation to the Repurchase, whether they have any conflicts of interest with the Repurchase Plan and whether there are any insider trading, market manipulation or plans to increase or decrease their shareholdings in the Company during the Repurchase Period**

According to the self-examination of the Company, within 6 months before the Board approved the proposal in relation to the Repurchase, none of the directors, the supervisors, the senior management, the controlling shareholder and the actual controller of the Company had bought or sold the Company's Shares within 6 months before the Board approved the proposal in relation to the Repurchase. There are no conflicts of interest with the Repurchase Plan, and there were no insider trading or market manipulation. There are no plans to increase or decrease their shareholdings in the Company during the Repurchase Period.

**(XI) The Company's enquiry on whether the directors, the supervisors, the senior management, the controlling shareholder, the actual controller and shareholders holding more than 5% of shares of the Company have any plans to decrease their shareholdings in the Company in the next 3 or 6 months**

After enquiry, the directors, the supervisors, the senior management, the controlling shareholder, the actual controller and shareholders holding more than 5% of the shares of the Company respectively replied that they have no plans to decrease their shareholdings in the Company in the next 3 or 6 months. If the relevant parties have any plans to increase or decrease their shareholdings in the Company in the future, the Company will discharge its information disclosure obligations in a timely manner in strict accordance with the stipulations of the relevant laws, regulations and relevant rules of the CSRC and the Shanghai Stock Exchange.

**(XII) Relevant arrangements for the cancellation or transfer of the Repurchased A Shares pursuant to the laws after the Repurchase and the relevant arrangements to protect the interests of the creditors of the Company**

The Repurchase will not affect the normal operation of the Company and will not lead to insolvency of the Company.

All Repurchased A Shares will be used for the implementation of employee stock ownership scheme or share incentive of the Company. The Nomination and Remuneration Committee of the Board will formulate a draft of the share incentive or employee stock ownership scheme as soon as possible and submit it to the Board and the shareholders' meeting for consideration. The Company will discharge its disclosure obligations and perform the corresponding procedures in a timely manner.

If the Repurchased A Shares are not used for the abovementioned purpose within the time limit stipulated by the relevant laws and regulations after the completion of the Repurchase, the portion of A Shares not yet transferred will be cancelled in accordance with the laws, and the Company's registered capital will be

reduced accordingly. In this case, the Company will, after the proposal in relation to cancellation of the Repurchased A Shares has been approved at the shareholders' meeting, notify the creditors on the matters in relation to the cancellation of shares and reduction of registered capital, and carry out other legal procedures and discharge its disclosure obligations in accordance with the Companies Law of the People's Republic of China to fully protect the lawful rights and interests of the creditors.

**(XIII) The specific authorisation from the Board to the management to handle the matters relating to the Repurchase**

In order to ensure a successful implementation of the Repurchase, the Board authorises the Company's management to have full authority to handle the matters relating to the Repurchase within the scope of the laws and regulations and in accordance with the principle of protecting the interests of the Company and its shareholders to the greatest extent. The content and scope of authorisation include but not limited to:

1. within the scope stipulated by the laws and regulations, formulate the specific Repurchase Plan according to the conditions of the Company and the market;
2. if the regulatory authorities change the relevant conditions for the Repurchase of A Shares or there are any changes in the market conditions, the authorised management of the Company has the authority to make the corresponding changes on the specific Repurchase Plan and other related matters, except for the matters that are required to be reapproved by the Board as stipulated in the relevant laws, regulations and the Articles of Association;
3. handle the relevant approval matters, including but not limited to authorisation, signing, execution, modification, and completing all necessary documents, contracts, agreements and covenants relating to the Repurchase;
4. set up specific securities accounts for the Repurchase and handle other related matters;
5. determine the time, price and number of the Repurchase, and implement the Repurchase Plan according to the actual situation during the Repurchase Period, and when the amount of funds used for the Repurchase reaches the lower limit during the Repurchase Period, the management of the Company can decide to terminate the Repurchase Plan on their own;
6. decide whether to engage relevant intermediaries (if necessary); and
7. handle other matters that are not listed herein but necessary for the Repurchase.

The authorisation will commence from the date on which the Board considered and approved the Repurchase and end on the date the relevant authorised matters are completed.

### **III. Risk of uncertainty of the Repurchase Plan**

1. The price of the Company's A Shares may continuously exceed the upper limit of repurchase price during the Repurchase Period, which leads to the risk of failure in the implementation or partial implementation of the Repurchase Plan;
2. If there are any significant changes in the Company's production and operation, financial status and objective external conditions, or the Board decides to terminate the Repurchase Plan, there may be a risk of failure in the implementation of the Repurchase;
3. If the employee stock ownership scheme or share incentive of the Company fails to obtain the approval from the Board, the shareholders' meeting of the Company or other decision-making authorities, the participants of the employee stock ownership scheme or share incentive surrender their rights of subscription, the Repurchased A Shares in the specific account for repurchase fail to be transferred to the employee stock ownership scheme or participants of share incentive before the expiry of the holding period, etc., there may be a risk that the Repurchased A Shares will fail to be granted in full, and there may be a further risk that the Repurchased A Shares which are not yet granted may be cancelled.
